- Eventual purchase of bedding items, dishes and cleaning products if those are not provided by the accommodation (Waldensian Diaconate);
- Verona card for free access to city museums from the arrival and for the duration of the two-year study program (Municipality of Verona).

ART. 2 – Incompatibility

The UNICORE 8.0 scholarships cannot be combined with:
- study grants/prizes for international students awarded by the University of Verona on the basis of merit or financial requirements;
- study grants awarded by the Italian Ministry of Foreign Affairs and International Cooperation (MAECI);
- CRUI grants for those who have qualified for international protection.

ART. 3 - International Master's Degree programmes available and admission requirements

3.1 Applicants can choose to apply for one of the following International Master's Degree programmes of the University of Verona:

Artificial Intelligence

Biology for Translational Research and Precision Medicine

Computer Engineering for Intelligent System

Data Science

Economics and Data Analysis

Languages, Literatures and Digital Culture

Linguistics

Mathematics

Medical Bioinformatics

Molecular and Medical Biotechnology

3.2 This call is open exclusively to applicants who:

1. Are residing in Bangladesh, Burkina Faso, Cameroon, Ethiopia, India, Kenya, Mozambique, Niger, Nigeria, South Africa, Uganda, Zambia, Zimbabwe and have been recognised the refugee status in collaboration with UNHCR;

2. Hold a qualification valid for admission to the chosen master's degree programme;

3. The qualification must have been obtained, no earlier than 2021, in a higher education institution accredited by the Ministry of Education of the country that issued the qualification, and must allow local access to a second level degree course;

4. Have a cumulative Grade Point Average (CGPA) of at least 3.0 under the tertiary education grading system of the country of graduation (equivalent to or higher than 60%);

5. Meet the specific admission requirements of the relevant master's degree programme (see Annex 2);

6. Have never been enrolled before in a degree programme at the University of Verona, or any of the Partner Universities;

7. Have completed previous university studies in English, or having obtained an official English language certification as specified in the Annex "Admission Requirements" for each Master International Degree Programme.

ART. 4 - Selection criteria and application documents

4.1 Candidates are selected on the basis of merit requirements.

The first assessment of applications (Step 1) will be carried out by the Teaching Committee of each Master's degree programme. The first 8 applicants in the list of eligible applicants, ranked in descending order of score (see Art. 5), will be asked to take part in an online interview with a Selection Committee (Step 2), that will be subsequently appointed by decree of the Rector of the University of Verona.

4.2 Applicants will need to submit the following documents:

1. The application for the call can be submitted through the UNHCR website https://universitycorridors.unhcr.it/

2. A copy of their currently valid *Refugee Identity Card* issued in collaboration with UNHCR, or a *PoR Card;*

3. A certificate proving that the applicant holds the qualification required for admission to the relevant Master's Degree programme;

4. A *Transcript of Records* including exams passed and corresponding marks;

5. A cover letter (maximum two A4 pages);

6. English language proficiency certificate as required by the chosen Master's Degree programme only in absence of an English taught academic study programme;

7. Optional: reference letter/s by a supervisor/advisor and any other document which may be considered to support the application.

At this stage, documents issued in languages other than English, French, Spanish, German or Italian can be translated into English by the applicant.

4.3 Applications may be submitted from 2 March 2026 to 17 April 2026, by 7.00 pm (UTC +2). Students will need to submit their application, including all the documents listed at point 4.2 above, via the UNICORE website, at: https://universitycorridors.unhcr.it/. Once the application has been submitted, a confirmation e-mail will be sent to the e-mail address provided by the applicant in the online form. Applications that are incomplete or not properly filled out will not be accepted. Students shall apply for one or more Master's Degree programmes offered by the University of Verona, and for a maximum of two partner Universities – including the University of Verona – that are part of the UNICORE 8.0 Project. Please note that this is a mandatory requirement: failure to comply with this clause will result in immediate rejection of the application.

ART. 5 - Selection process

The selection process is divided into two steps:
- Step 1: assessment of documentation;
- Step 2: online interview.

5.1 Step 1: assessment of documentation

The Selection Committee will assess the documentation according to the following criteria:
- CV and relevance of the academic training (Bachelor's degree and any Master's) and extra-academic activities (internships, summer schools, work activities, etc.) with the objectives of the course of study (score: 0-25);

- Cumulative Grade Point Average (CGPA or equivalent) (score: 0 -15)

At the end of Step 1, a merit-based ranking list will be drawn up and made available on the relevant web page on the University's website (www.univr.it): only the first 8 candidates, ranked in descending order of score, will have access to Step 2, the online interview. Where two or more candidates have an equal score, priority will be given to the younger candidate.

Candidates admitted to Step 2 will be notified by email by 15 May 2026. The partial ranking will also be published on the website www.univr.it on the page dedicated to the initiative.

5.2 Step 2: Online interview

All candidates admitted to Step 2 must attend an interview with the Selection Committee. The interview will assess the candidate's knowledge of the relevant Master's Degree programme, their technical and fundamental logical and mathematical skills, as well as their communication skills and English language proficiency. Interviews will take place during May and June 2026 and will be held online via Zoom.

Candidates will be notified by email of the date and time of the interview and the relevant deadlines will be also made available on the relevant web page on the University's website (www.univr.it).

At the interview, candidates will need to bring their *Refugee Identity Card* or *PoR card* used during the online application. In addition, a third person must be present at the beginning of the interview to identify the candidate. Interviews will be assessed on a 40 points scale.

5.3 - Final list of eligible applicants

Scholarship holders must represent both genders. If it is not possible to ensure representation of both genders among the selected candidates, any vacant positions may be assigned to candidates of the same gender, while always respecting the order of merit and the scores obtained.

The final list of eligible applicants based on merit (*graduatoria'*) is drawn up by the Selection Committee: total point scores for each applicant are calculated by adding up the scores from Step 1 and Step 2. Candidates who score less than 50/80 points will not be included in the final list of eligible applicants. Candidates will be ranked in descending order of score. Where two or more candidates have an equal score, priority will be given to the younger candidate.

The final list will be then approved by Rector's Decree. The scholarship holders will be informed via email and the final list will be published on the relevant web page on the University's website www.univr.it by 22 June 2026.

5.4 - Accepting the scholarship

The selected applicants must accept the scholarship offer in writing by replying to the University's e-mail within 10 days of receiving it. Failing to accept the offer by the given deadline will result in the candidates being automatically removed from the selection process.

By accepting the scholarship, the candidates fully and unconditionally accepts UNICORE 8.0 Project support and financial benefits under the conditions established in this *Call for applications* and declares under their full responsibility that they do not fall under any of the conditions of incompatibility set out in Article 2 above.

5.5 - Before departure

Before moving to Italy, the scholarship holders will be responsible for keeping in touch with the University and the local project coordinators. They will also be required to attend an introductory Italian language course and other preparatory activities prior to their arrival in Italy, as well as to follow the instructions given on site for their integration into the University system and the relevant Master's Degree programme, or else they will have their scholarship revoked.

5.6 - Withdrawals and allocation of vacant scholarships

In case of withdrawal, or if the requirements in preparation for the transfer indicated in Article 5.5 are not met by 14 August 2026, the scholarship will be allocated to the next eligible candidate in the list of eligible applicants.

Should any scholarship remain vacant, the University of Verona reserves the right to select an alternative candidate from the lists of other partner Universities. Eligible candidates must meet the specific requirements of the Master's Degree programmes of the University of Verona.

ART. 6 - Scholarship and benefits renewal requirements

In order to be eligible for renewal of the scholarship, the scholarship holders must earn 30 University credits (CFU) by 30 September 2027. In order to maintain the scholarship, the scholarship holders are required to earn 60 university credits by 30 September 2028.

The scholarship holders are also required to graduate by the last graduation session available, i.e. April 2029, after which the scholarship and associated benefits shall not be extended.

ART. 7 - Withdrawing from studies

If a scholarship holder withdraws from the programme during their studies, they will automatically lose all the benefits of the scholarship and their residence permit for study.

ART. 8 - Processing of personal data

Personal data provided by those who apply for students support benefits under this *Call* are processed in accordance with EU Regulation 2016/679 (hereinafter the "Regulation") and the applicable personal data protection regulations.

The processing of such data is carried out by the University of Verona as Data Controller pursuant to Articles 24 et seq. of the Regulation, for the purposes set out in the present *Call*, in the performance of its institutional functions.

An information notice for students on the purposes of the processing, data recipients and the rights of Data Subjects is available on the University's website, at the following link: www.univr.it/privacy.

Personal data collected are also processed in compliance with UNHCR Data Protection Policy available at https://www.refworld.org/docid/55643c1d4.html and its guidance available at https://www.refworld.org/docid/5b360f4d4.html.

Applicants are made aware that their *Refugee Identity Card* or *PoR* card number will become publicly visible when the list of eligible applicants is published on the websites www.unhcr.it/universitycorridors and www.univr.it.

Pursuant to Art. 76 of Presidential Decree no. 445/2000, the University reserves the right to check the truthfulness of any information received. If a declaration is found to be false or misleading, the applicant will lose the right to apply for this *Call* and/or any benefits granted.

Art. 9 - Final provisions

Information about Master's Degree programmes, how to apply, application deadlines and publication of the list of eligible candidates, can be requested by contacting mui@ateneo.univr.it

This *Call for applications* is published in the University's Official Registry. Pursuant to and for the purposes of Law no. 241/1990 and subsequent amendments, the Procedure Officer is the Head of the Admissions Office, Teaching and Student Service Head Office, Chiostro S. Francesco, Via S. Francesco, 22 – 37129 Verona.
