

## The Youth Newsroom at the World Press Freedom Day

As part in the World Press Freedom Day event organized by UNESCO and the government of Uruguay on May 3, 2022, the Permanent Secretariat of the World Summit of Nobel Peace Laureates will participate in **The Youth Newsroom**.

The Youth Newsroom (YNR) is a platform that involves journalism students and young journalists from around the world in covering plenary sessions, parallel sessions and side events during the WPF. The YNR was established to provide young people with the opportunity to participate in the latest discussions on freedom of expression and press with leading professionals, experts and supporters in an international forum. To ensure the quality control and leadership of the Youth Newsroom, a group of experienced journalists and media experts will be invited to guide participants and assist with the program.

The journalists of the Youth Newsroom are young students of international journalism or journalists recently graduated between 20 - 30 years. A mix of journalists from various media fields including written media, radio, video, photography, cartoon press and other creative points were invited to the Youth Newsroom.

The participants of the Youth Newsroom will participate in the conference in presence. A fully equipped press room near the main conference rooms will be made available to students to work.

Only 4 preselected students from your organization/university can apply. The Organizing Committee of the PermSec will make a final selection.

The event will be held in Uruguay. All travel costs will be covered by the Organizers.

### Requirements for Youth Newsroom participation:

Each student that desires to participate is required to send the PermSec a CV and short video of 60 to 90 seconds stating why it is important to her/him to attend the event and take part in the Youth Newsroom Team.

A Preliminary meeting with the selected students will take place 2 weeks before the event, around mid-April.

**Deadline for the candidates is March 4 2022.**
