## COURSES FOR EXCHANGE STUDENTS

Français  

► HOW TO CHOOSE YOUR COURSES?

You can choose your courses from the Bachelor and Master 1 courses. You are not limited to the courses of the faculty (UFR) of your discipline, but if you wish to follow courses from other departments or other UFRs, you will have to obtain the agreement of your coordinators.

- Master 2 courses are not open to exchange students, with some exceptions.
- Exchange students are not allowed to follow distance learning courses.

**Learning agreement (contrat pédagogique):** all students in the Erasmus+ programme and the Swiss-European mobility programme must complete a learning agreement. Other students should check with their home university.

In principle, Erasmus+ students must validate 30 ECTS per semester.

Registration for the courses will take place in September. Details of how to register will be given to you at the welcome meeting.

### Consult the University Paris Nanterre's courses catalogue
