2015 to 2019 Researcher at the Respiratory Medicine Unit, Department of Medicine, University of Parma, Italy;

From 2019 Assistant Professor of Respiratory Medicine at the Respiratory Medicine Unit and Section of Internal Medicine Unit, Department of Medicine, University of Verona, Italy.

---

### PROFESSIONAL STAGES

06/2003 Center for the Study of Cardiorespiratory Alterations during Sleep - CNR. Institute of Respiratory Physiopathology, Palermo, Italy

02/2006 Polysomnography laboratory - Salvatore Maugeri IRCCS Foundation, Medical Center in Montescano (PV), Italy

06/2006 BLS-D Basic Life Support Defibrillation Local Health Company of Bologna - Emergency area, Casalecchio di Reno (Bo)- Italy

11/2008 ALS Advanced Life Support, Policlinico Hospital, University of Modena (Mo), Italy

## RESEARCH PERIOD ABROAD

---

2012 European Respiratory Society (ERS) Short Term Research Training Fellowship (3 months) - Pneumology Department, Clinic Institute of Thorax (ICT), Hospital Clinic of Barcelona, Spagna e Institut d'Investigacions Biomèdiques August Pi i Sunyer (IDIBAPS) - University of Barcelona. <http://www.idibapsrespiratoryresearch.org/news/96/iamr-group-incorporates-a-postdoctoral-physician-to-work-on-endotoxemia-pneumonia-correlated-applied-to-animal-model>

## AWARDS

---

- 2007 Best abstract at IV<sup>o</sup> Annual meeting of Oncology, Haematology and Respiratory Diseases, University of Modena (Italy) - *Crisafulli E. et al. Effect of early rehabilitation on difficult to wean patients.*
- 2009 ERS COPD Travel Grants for Best Posters at 19<sup>th</sup> Annual Congress, Wien (Austria) - *Crisafulli E. et al. Effectiveness of rehabilitation in COPD outpatients with comorbidities* - Supported by Boehringer Ingelheim.
- 2010 Best abstract for researcher under-40 at Italian National Congress of Respiratory Medicine, Milan (Italy) - *Crisafulli E. et al. Learning impact of education during pulmonary rehabilitation program. An observational short-term cohort study.*
- 2011 Award Riccardo Cioffi - 1st Joint Congress ACCP-AIMAR - Stresa (VB), Italy
- 2014 Award Master Abroad for best abstract: *Crisafulli E. et al. C-reactive protein at discharge, diabetes mellitus and  $\geq 1$  prior hospitalization predict early readmission in patients with acute exacerbation of chronic obstructive pulmonary disease* - TWA. Think and write about COPD 2014. Torino, Italy

## SCIENTIFIC SOCIETY MEMBERSHIP

---

From 2006 European Respiratory Society (ERS)

From 2008 to 2014 American College of Chest Physician (ACCP) with the role of Fellow (FCCP)

From 2012 Associazione Italiana Pneumologi Ospedalieri (AIPO)

## PUBLICATIONS

---

> 170 full-length publications and 14 chapters of books

h-index according to public resources:

Scopus: 34 (accessed March 4, 2026)

Google Scholar: 40 (accessed March 4, 2026)

## RESEARCH FIELDS

---

- Clinical studies on the chronic respiratory disease (COPD), in particular on the prevalence of associated co-morbidities to COPD, on inflammatory response related to the acute event (exacerbation, AECOPD) and community infections (pneumonia, CAP in COPD);
- Clinical studies on the effects of pharmacological and non-pharmacological (rehabilitation) treatments of chronic respiratory disease (COPD and tracheotomised and chronically ventilated patients);
- Clinical studies on Acute and Chronic Respiratory Failure, Non-Invasive Mechanical Ventilation (NIMV);
- Clinical studies concerning the maximal ventilatory response to exercise in patients with chronic disease (COPD; Cystic fibrosis);
- Clinical studies concerning the prevalence and significance of small airways dysfunction in patients with COPD;

- Clinical studies concerning the clinical impact and predictive factors of pulmonary damage in patients with COVID-19.

## **REVIEWER ACTIVITY**

---

From 2019 to 2021 Associate Editor for the European Respiratory Review (IF 8.839)  
From 2021 Associate Editor for Frontiers in Rehabilitation Sciences  
From 2007 Reviewer for the following journal: BMC Pulmonary Medicine, Chest, COPD, European Respiratory Journal, International Journal of COPD, PlosOne, Respiration, Respiriology, Respiratory Care; Thorax.

*Verona, 04/03/2026*

Prof. Ernesto Crisafulli
