

Elena Samaila

MD, PhD

Ass. Professor

P.le Stefani 1, 37134
Verona | +390458129542 | elenamanuela.samaila@univr.it

Education

She graduated from High School No. 1, Resita, Romania, in July 1995. Enrolled in the Faculty of Medicine and Surgery of the University of Modena and Reggio-Emilia in the Academic Year 1996-97.

I graduated in medicine and surgery at the University of Modena and Reggio-Emilia on July 26, 2002, with 110/110 E LODE.

I graduated from Specialization School in Orthopedics and Traumatology at the University of Verona on 6 November 2007 with 50/50 E LODE.

She participated and won the selection for the awarding of a **research grant** entitled "Development of new prosthetic models and surgical techniques in joint replacement of the tibio-tarsal joint in post-traumatic arthrosis in young patients" at the University of Verona (Official Register of the University No. 67-2008, Prot. No. 52828) from 1 March 2008 to 15 July 2009.

Active participation in dozens of national and international congresses, lecturer at various "cadaver labs" with a particular interest in foot and ankle pathology and paediatric orthopaedic pathology.

President of the Italian Foot and Ankle Society from December 2021 till December 2023.

Past President of the Italian Foot and Ankle Society since January 2024-now

Work Experiences

- 1996-2002, as an attending physician, she attended the Orthopaedic Clinic of the University of Modena, participating in all the Departments, Operating Room, and Outpatient activities.
- 2002-2003, she was admitted to the School of Specialization in Orthopaedics and Traumatology of the University of Verona, ranking second in the general merit ranking, obtaining a ministerial scholarship for the duration of the Specialization School of 5 years.
- From 2002 to Nov.2007, she participated in all the activities of the Department, Operating Room (both as an aid and as an operator), and Outpatient Department as a Doctor in training at the Orthopaedic and Traumatology Clinic of the University of Verona.
- 1 March 2008 to 15 July 2009 Selection winner for the award of a **research grant** at the University of Verona
- From 16 July 2009 to 31 May 2011, she performed clinical and surgical activities as an Orthopaedic Surgeon at the U.O. of Orthopaedics and Traumatology of the Hospital of B.go Trento in Verona.
- 1 June 2011 to December 2018: Orthopaedic Surgeon in Orthopaedics and Traumatology (B) Azienda Universitaria Integrata di Verona.
- **December 2018-2021: SENIOR RESEARCHER at the University of Verona**
- **December 2021-now: ASSOCIATE PROFESSOR at the University of Verona**

- Functional Professional Task “Paediatric and adult foot surgery” conferred at the UOC Orthopaedics and Traumatology B lasting three years from 12/15/2014 to 12/14/2017

Research project:

- Tutor of the winners of the two traveling fellowships of the Italian Society of Ankle and Foot Surgery held at the Sint Maartenskliniek Hospital in Nijmegen (Netherlands) in Sept. 2011 and at Atos Klinik in Heidelberg in Oct 2011.
- SIOT fellowship winner in 2011 - activity carried out from March to June 2011 at the Rizzoli Orthopedic Institutes - Pediatric Orthopedics
- Fellowship within the research project Prof. Mark Myerson at the Foot and Ankle Clinic at Mercy Hospital, Baltimore, USA, from December 2011 to February 2012

Awards

- 1st prize for the best poster at the 16th International Congress of the European Foot and Ankle Society, Prague, Czech Republic, 14th-16th September 2006
- 1st prize for Best oral presentation (“3-dimensional matrix-induced autologous chondrocytes implantation for talus osteochondral lesions” at the 9th International Congress of the European Foot and Ankle Society, The Netherlands 6-8 September 2012
- Award - Best Paper FAS Journal Award. Year 2014. Motivation: Best article published in the Journal Foot and Ankle Surgery in 2014 for editors' judgment, number of downloads, and citations. Publication: Magnan B, Bondi M, Pierantoni S, Samaila E (2014). The pathogenesis of Achilles tendinopathy: a systematic review .. FOOT AND ANKLE SURGERY, vol. 20, p. 154-159, ISSN: 1268-7731, doi: 10.1016 / j.fas.2014.02.010
- Honorary European certification in trauma and orthopedic foot and ankle surgery, 2015
- 1st place “Best clinical case presentation” at the Master Course AOTrauma Foot and Ankle Reconstruction, Pacengo di Lazise (VR), 7-9 April 2017
- Certificate of Special Mention for Oral Presentation of the Poster entitled “Endoscopic Treatment of Haglund's Deformity Gives Better Results Than Open Surgery? Elena Manuela Samaila, Roberto Valentini, Stefano Negri, Bruno Magnan, who was the best poster at the 19th EFORT Congress in Barcelona, Spain from 30 May to 01 June 2018.
