

# Curriculum Vitae

## Personal information

First  
name/Surname

**Maria Diletta Pezzani**

E-mail

mariadiletta.pezzani@univr.it

PEC

diletta.pezzani@pec.it

Nationality

Italian

Date of birth

6<sup>th</sup> October 1985

## Work experience

### **April 2018 – Up to now**

University researcher position at Verona University

### **June 2017 – January 2018**

Research activity at Universitätsklinikum Tübingen under the supervision of Prof. Evelina Tacconelli.

Working project in collaboration with WHO: “Antimicrobial resistance (AMR) health burden estimation, review on designs and methodological challenges to monitor clinical burden on multiresistant bacteria”.

Date

### **July 2016 – June 2017**

Occupation or  
position held

Clinical research fellow position at ‘L. Sacco’ Hospital, Department of Infectious Diseases, University of Milan. Key objectives of the project: improved understanding of drug interactions in patients with HIV infection under medications other than TARV and of the role therapeutic drug monitoring (TDM) in clinical practice.

Main activities  
and  
responsibilities

In patient care; HIV Outpatient Clinic

Name and  
address of  
employer

Project funded by the Italian Society of Infectious and Tropical Diseases (SIMIT)

### **July 2016**

Specialty degree in Tropical Medicine 70/70 *cum laude*

Date

### **October 2014 – January 2016**

Fellowship at the University of Queensland Centre for Clinical Research (UQCCR), Brisbane, Australia under the supervision of Professor David Paterson. Working project focused on urinary tract infections and the epidemiology of multidrug-resistant gram-negative bacteria. Observership at the Royal Brisbane and Women Hospital.

Date

### **2011 - 2013**

Occupation or  
position held

Sub-Investigator

Main activities  
and  
responsibilities

Community-Acquired Pneumonia Organization (CAPO)

Name and address of employer	'L. Sacco' Hospital, Department of Infectious Diseases, University of Milan, Via G.B. Grassi 74, 20157, Milan
Date	<b>2011 - 2013</b>
Occupation or position held	Sub-Investigator
Main activities and responsibilities	A phase III, Multicentre, Randomised, Double-Blind, Comparative Study to Evaluate the Efficacy and Safety of Ceftaroline Fosamil (600 mg every 8 hours) versus Vancomycin Plus Aztreonam in the Treatment of Patients with Complicated Bacterial Skin Soft Tissue Infections With Evidence of Systemic Inflammatory Response or Underlyng Comorbidities
Name and address of employer	'L. Sacco' Hospital, Department of Infectious Diseases, University of Milan. Via G.B. Grassi 74, 20157, Milan
Date	<b>November 2013</b>
Title of qualification awarded	iACADEMY Award
Principal subjects	"Disseminated histoplasmosis in an HIV infected patient"
Name and type of organisation providing education and training	Nexhealth, Milan
Date	<b>March 2013</b>
Title of qualification awarded	"Management and diagnosis of infectious diseases in pregnancy"
Principal subjects	Training course organized by Italian Society of Infectious and Tropical Diseases (SIMIT)
Name and type of organisation providing education and training	SIMIT
	<b>June 2011 - July 2016</b>
	Tropical Medicine Fellowship at 'L. Sacco' Hospital, Department of Infectious Diseases, University of Milan
Date	<b>2008 - 2010</b>
Title of qualification awarded	Internship at Department of Infectious Diseases, Maggiore Hospital, University of Parma
Date	<b>2004 - 2010</b>
Title of qualification awarded	Medicine Doctor: 110/110 <i>cum laude</i>
Thesis Title	"HIV infection in pregnancy "
Name and type of organisation providing education and training	University of Parma, Faculty of Medicine and Surgery

**Education**

Date	<b>1999 - 2004</b>
Title of qualification awarded	Secondary School Graduation (98/100)
Name and type of organisation providing education and training	Liceo Classico "Gian Domenico Romagnosi ", Parma

**Personal skills and competences**

Mother tongue	Italian
Other language	<b>English</b>

<b>Understanding</b>	<b>Speaking</b>	<b>Writing</b>
IELTS 8	IELTS 8	IELTS 6.5

**Publications**

Title	<b>Telaprevir therapy, renal impairment, and their effects on the pharmacokinetics of tenofovir in HIV/hepatitis C virus coinfected patients</b>
Authors	Gervasoni, Cristina; Milazzo, Laura; Pezzani, Diletta; Fucile, Serena; Cattaneo, Dario
Journal	AIDS: 14 January 2014 - Volume 28 - Issue 2 - p 285-287
Title	<b>The emerging threat of multidrug-resistant gram-negative bacteria in urology</b>
Authors	Hosam M. Zowawi, Patrick N. A. Harris, Matthew J. Roberts, Paul A. Tambyah, Mark A. Schembri, M.Diletta Pezzani, Deborah A. Williamson, David L. Paterson
