## ANNEX 2 – PARTICIPATION IN CONFERENCES, SEMINARS, LECTURES

### International conferences, workshops and seminars (call for papers selection; invited speaker)

1. 2025 (Sept 4) invited speaker for lunch seminar “New Paths for sustainable protection of food biotechnologies. The perspective of European law”, University of Torcuato Di Tella, Buenos Aires, Argentina
2. 2025 (Aug. 21) lecture on “From Privacy to Data Protection: the European evolution” as part of the seminar course in “Law and Technology” organised by Prof. Celia Lerman, Universidad Torcuato Di Tella, Buenos Aires, Argentina
3. 2024 (Sept. 12-14) interdisciplinary research (with prof. Roberta Capitello (professor of marketing) presented on “Interdisciplinary nature of agri-food sustainability and the contribution of comparison. New synergies between law and marketing for the study of the origin of food”, at the National Convention SIRD on Environment, economy and society: sustainability in different legal cultures, Roma Tor Vergata University, Frascati, Roma
4. 2023 (Sept., 28-29) speaker “The Shift of EU legal paradigms to protect digital consumer autonomy. Observations towards deceptive designs” (session on Consumer Challenges), Lawtomination Days, IE University, Madrid, Spain
5. 2022 (June, 16-17) speaker “Scraping consent from machines”, at the Tallinn conference on “Privacy, Data Protection and New Technologies”, organized by prof. K. Sein and prof. M. Ebers, Tallinn, Estonia
6. 2022 (May, 19-20) speaker “Quando il soft law tutela la Salute Unica: spunti dal diritto agroalimentare europeo” at the 3e Journée d’études franco-italiennes «Droit souple et nouvelle(s) normativité(s)», organized by prof. P. Duret and G. Guiglia, Law Department, Verona
7. 2022 (May, 10) webinar “Robotic Surgery. Regulatory Issues from a Comparative Law Perspective”, webinar organised by Robotic & AI Law Society (RAILS)
8. 2022 (April, 22) speaker “Contextual comparative remarks on a sustainable European regulatory model for synthetic biology in agri-food area”, at the Global Sustainable & Comparative Legal Cultures, organized by SIRD, University of Milan, Milan, Italy
9. 2021 (December, 8), Speaker The regulation of AI and Robotics in Medicine from a European and Comparative Perspective, Digital Legal Talks (web-convention), organized by Tilburg University, The Nederland
10. 2018 (April, 17) speaker on European legal initiative on “Artificial Intelligence and operative profiles: Justice, Internet of Things and Workers”, Palazzo di Giustizia, Milano
11. 2017 (September, 12) speaker at the Festival of Robotics, section "Issues in law and technology". Presentation on "Interdisciplinarity for Elucidating the "Elephant" in Robotics: Food for thought from a Comparative Law Perspective", organized by the Scuola Superiore di Studi Universitari e di Perfezionamento Sant'Anna, Pisa
12. 2017 (June, 15-16) speaker at the “Connected robots for health: challenges for responsible robot design”, organised by the Brocher Foundation, Geneve, Switzerland
13. 2016 (September, 29-30) participation at “Symbiotic 2016: Fifth International Workshop on Symbiotic Interaction” (discussant - ethical panel), Padova University, Padova

14. 2016 (May, 27-28) participation at the V Colloquium of Young Comparatists "New Topics and Methods in Comparative Legal Research and its relations with social sciences", paper presented: The path of the upcoming era of robotic law: insights from the US case law, Campobasso, Italy
15. 2015 (July, 8) speaker on "The ongoing formation of the European health law: a comparative analysis of selected case studies", Max-Planck Institute for Social Law and Social Policy, Munich, Germany
16. 2015 (April, 17) speaker on "European Consumer Law: Current Trends and Regulatory Challenges" and "Recent trajectories of EU health Law and Consumer protection", Maynooth University Department of Law, Ireland
17. 2011 (June, 6/7) speaker on "The Role of Consumer "Safety Expectation" within the New Products Context. Lessons following the Case of Medicinal Products", at the international workshop "Dilemmas of Choice. Responsibility in Nanotechnology Development", Consorzio Università Rovigo
18. 2008 (December, 5/6) speaker on "The Law of Advanced Nano-biomedical Products: Matters of Regulation and Tort Liability under Uncertainty", at the International Conference "Nanotechnologies and the Consumer", at the European University Institute (EUI, Law Department, organiser: prof. H. Mickliz), Florence
19. 2008 (Feb., 24) seminar on "Law and New Biomedical Technologies", at The Hastings Center, Garrison, New York (USA)

**National conferences, workshops and seminars (call for papers selection; invited speaker)**

1. 2025 (Feb. 15) Speaker on the European law for food biotechnologies at the convention on the topic "Food for future – Nutrition, Solidarity, and Sustainability: Challenges and Perspective", Natural History Museum of Verona, organised by the Human Sciences Department, University of Verona
2. 2024 (June 7) coordinator and organizer of the convention "The protection of One Health in global and interdisciplinary perspective, at the Law Department and Department of Engineering for Innovation Medicine, Verona University
3. 2024 (April 5) speaker "The protection of artificial plant and food origin", Department of Law, Verona University
4. 2024 (March, 7) speaker "Algorithms also make mistakes...Consideration towards the AI Act" at the conference "Artificial Intelligence and gender equality. A multidisciplinary approach" organised by the Lawyers Bar of Verona
5. 2023 (Dec., 1) speaker "Linee guida e buone pratiche nel contest medico high-tech. I limiti della c.d. medicina difensiva", at the convention titled "Medici e odontoiatri. Le sfide del cambiamento", organized by the Ordine dei Medici Chirurghi e degli Odontoiatri della provincia di Brescia, Italy
6. 2022 (May, 19-20) speaker "Quando il soft law tutela la Salute Unica: spunti dal diritto agroalimentare europeo" at the 3e Journée d'études franco-italiennes «Droit souple et nouvelle(s) normativité(s)», organized by prof. P. Duret and G. Guiglia, Law Department, Verona
7. 2022 (March, 10) discussant on "The evaluation of safety along the supply chain of biotech products, prof. E. Sirsi's lecture on TEA per la produzione agroalimentare: il dibattito e le prospettive di regolazione, webinar, program Comparative Law Webinars (director. Prof. Lanni), University of Milan, Milan

8. 2020 (June 12) speaker, The U.S. litigation on robotic surgery, as part of the webinar “Legal Aspects of the use of medical robotics and medical Artificial Intelligence, organised by Prof. Mirko Faccioli, University of Verona
9. 2019 (April, 15) seminar “Safe Robots”. A legal and ethical perspective on robotic product safety”, within the Digital Management Course, University Ca’ Foscari, at the H-Farm Education campus, Treviso
10. 2018 (June, 14-16) speaker, 7th STS Italian Conference “Technoscience from below”. Presentation on: The use of “by design” in European law: an effective tool for technology regulation purpose, University of Padua, Padova
11. 2018 (March, 23) speaker on “La rilevanza giuridica delle linee guida nella pratica medica. Profi di responsabilità civile”, at the Centro Universitario di Rovigo, nell’ambito della formazione continua per avvocati del Foro di Rovigo
12. 2017 (December, 18) speaker, "The spread of Artificial Intelligence and its control over Individuals", training course for lawyers Padova Bar, University of Padova
13. 2017 (October, 30-31) speaker at the conference "Roadmap on robotic autonomy" (implications of private law), component of an interdisciplinary group of work and discussion, organized by prof. Paolo Fiorini, Department of Computer Science, University of Verona
14. 2015 (July, 8) speaker on "The ongoing formation of the European health law: a comparative analysis of selected case studies", Max-Planck Institute for Social Law and Social Policy, Munich, Germany
15. 2014 (Nov., 21), speaker on “Liability for medical guidelines breach”, corso di specializzazione per avvocati del Foro di Rovigo
16. 2014 (June, 23) speaker on "Medical Liability and informed consent", at the event on "Update su anticorpi monoclonali en oncologia ed ematologia", Bari
17. 2014 (January, 21) participation at the advisory board on biological drugs and biosimilar, organized by the Trainer Center, Centro Svizzero, Milan
18. 2012 (May, 21) speaker on “Law, Innovation and Liability. The case of vaccines”, Biolaw Course, Political Sciences, University of Padova
19. 2012 (June, 6) speaker on "Law, Innovation and Liability. The patient’s right of self-determination", Biolaw Course, Political Sciences, University of Padova
20. 2008 (April, 14) lecture on “Biomedical Nanotechnologies: Regulatory Problems and liability scenarios”, Law Faculty, University of Trento
21. 2008 (March, 25) seminar at ARPAV (Regional Environmental Protection Agency), on “Ethical-Legal Aspects of Nanoscience”, Venice
22. 2008 (March, 18) co-organizer and speaker with Prof. Elisabetta Palermo on “Civil and Criminal Producer’s Responsibility of Biomedical Nanotechnologies”, University of Padova, CIGA, Rovigo

### Seminars for PhD students and post-graduated students

1. 2023 (March 14) organizer, coordinator and discussant (with proff. M. Torsello e A. Andreoli) of the seminar “New Frontiers for the legal knowledge: as design ‘prototypes’ can contribute to *legal change*”, invited speaker prof Barbara Pasa, Department of Law, University of Verona

2. 2022 (March 16) discussant with prof. M. Torsello, invited speaker Prof. M. Ebers, lecture on "The regulation of Artificial Intelligence: a fundamental rights perspective, PhD School in European and International School, University of Verona, Verona
3. 2020 (Nov. 5-6) speaker "The concept of «digital content» in the context of the new European contract law package: continuity, fragmentary and innovative profiles" (webinar) - PhD School in International and European Legal Sciences with – Recht und Rechtsdurchsetzung in Europa“, Verona University - Universität Bayreuth (Germany), November 5-6 2020.
4. 2020 (Nov. 1) discussant with prof. M. Torsello, F. Palermo, M. Nicolini, M. Ortino, webinar "Legal Globalization and Technological Changes" invited speaker prof Maria Rosaria Ferrarese for PhD students, Law Department, Verona
5. 2019 (11 April) seminar "Driveless cars: from liability to responsibility, and vice-versa", within the interdisciplinary PhD School in Brain, Mind and Computer Science (Dipartimento di Psicologia Generale), at the Centro Human Inspired Technology, Padova University
6. 2017 (26 May) speaker on "Traceability, novel food and GMO", Advanced/Professional development course in Transnational and comparative agri-food law, Verona University
7. 2017 (Feb. 8) co-organiser and speaker on "Comparative Law and Interdisciplinarity: practical approaches", with Prof. Vespaiani, Giliker, Mulder and Prof. Athanasios Psykcas (chair), Presentation on Understanding the legal issue of safety through an interdisciplinary perspective, Bristol University, UK.
8. 2015 (April 18) "Recent trajectories of EU Health Law and Consumer protection", as part of the European Law course (Instructor: prof. D. Ferri) and for the PhD School (PhD in Law), Department of Law, Maynooth University, Ireland
9. 2015 (15 May), speaker on "Traceability and novel food", at the Advanced/Professional development course in Transnational and comparative agri-food law, Verona University
10. 2015 (23 April) speaker on "GMO and European compromises", at the Advanced/Professional development course in Transnational and comparative agri-food law, Verona University
11. 2013 (22 March) speaker on "European remedies for protection from risks of product damages. The case of litigation for biomedical product", for the PhD School on Private and International Law, University of Padova.
12. 2012 (25 May) speaker "Product Safety and emerging technologies: rules and European Law Approaches", for the PhD School on Private and International Law, University of Padova

Verona, December 17, 2025

(Giorgia Guerra)
