PROFESSIONAL EXPERIENCES

From **NOVEMBER 2019 – TO DATE**

Neurology Resident

Neurology Unit – Azienda Ospedaliera Universitaria Integrata (AOUI) di Verona (Italy)

First year November 2019 – October 2020

Second year November 2020 – to date

APRIL 2019 – SEPTEMBER 2019

Volunteer Medical Doctor

Neurology Unit – Ospedale Mater Salutis (ULSS 9 Scaligera), Legnago (Italy)

I attended at the Neurology Department (Chief Dr Polo) as a volunteer doctor, while waiting for the beginning of the Residency Program. I took part in the morning ward rounds and in the outpatient clinics. I also assisted the on-call Consultant.

JULY 2019 – AUGUST 2019

Replacement Doctor

District 4, ULSS 9 Scaligera Verona, (Italy)

I worked as a GP substitute, dealing with outpatients and nursing home inpatients.

CLINICAL PLACEMENT

NOVEMBER 2018 – FEBRUARY 2019

Postgraduate internship and State Exam for the Medical License to Practice

Ospedale Mater Salutis (ULSS 9 Scaligera), Legnago (Italy)

As part of the Italian "Esame di Stato" I attended a three-month postgraduate internship:

- November: General Practitioner Clinic (Dr Tarallo)
- December: A&E Department (Dr Praticò) - Ospedale Mater Salutis
- January: Clinical and Medical Oncology Department (Dr Bonetti) - Ospedale Mater Salutis

EDUCATION
From

OCTOBER 2018

Clinical Observer Placement

King's College Hospital NHS Foundation Trust, Denmark Hill, Londra SE5 9RS (UK)

As a clinical observer, I attended morning handovers and ward rounds. I was involved in daily activities of the neuro-oncological team (Mr Bhangoo, Mr Vergani, Mr Brogna): I joined the pre- and postoperative outpatient clinics and the MDT meetings. I also took part, as an observer, in different surgical procedures.

OCTOBER 2015 – JULY 2018

Clinical Rotation

Azienda Ospedaliera Universitaria Integrata (AOUI), Piazzale Aristide Stefani, 1 – Verona (IT)

As part of the undergraduate training, I got involved in the daily activities of the AOUI Departments and Units: General Internal Medicine, Cardiology, Pneumology, Gastroenterology, Haematology, Rheumatology, Infectious Diseases, Dermatology, Nephrology, Endocrinology, Paediatrics, Gynaecology and Obstetrics, Urology, General Surgery, Neurosurgery.

In particular, I attended the morning meetings, ward rounds and outpatient clinics. I took part in the operating theatre, as an observer, during several surgical procedures.

AUGUST 2017

Clinical Observer Placement

Fondazione I.R.C.C.S Istituto Neurologico Carlo Besta, Via Giovanni Celoria, 11 – Milano (IT)

As a clinical observer I joined the morning meetings and ward rounds of the Oncologic Neurosurgical Unit directed by Professor Francesco DiMeco. I took part in the operating theatre, as an observer, during several surgical procedures.

I also attended training sessions with neuro-simulators at the Besta NeuroSim Center, managed by Professor Alessandro Perin.

JULY 2009

Summer Observership

GlaxoSmithKline, Via Alessandro Fleming, 2, 37135 Verona (IT)

I spent two months at the Neurosciences CEDD (Centre of Excellence for Drug Discovery) where I joined as observer the daily activities at the Analytical Chemistry Lab and the R&D Department.

NOVEMBER 2019 – TO DATE

Neurology Residency Program – University of Verona

Director: Prof. Salvatore Monaco (2019 – September 2020)

Director: Prof. Michele Tinazzi (October 2020 – to date)

SEPTEMBER 2020 – JULY 2018

School of Medicine and Surgery – University of Verona

I did my dissertation on a neurosurgical and neurophysiology matter - "Surgical treatment of Intramedullary Spinal Cord Tumours in the age of Intraoperative Neurophysiological Monitoring" - under the mentorship of Professor Francesco Sala.

Bachelor of Medicine, Bachelor of Surgery – MBBS: Magna cum Laude

SEPTEMBER 2011 – SEPTEMBER 2012

Faculty of Pharmacy - Division of Pharmaceutical Chemistry and Technology – University of Ferrara

SEPTEMBER 2006 – JULY 2011

High School Diploma, Science – Liceo Statale Giovanni Cotta, Legnago (Italy)

LANGUAGE	<p>ITALIAN – Mother tongue</p> <p>ENGLISH – Professional knowledge: Listening C1 – Reading C1 – Writing B2 – Speaking B2</p>
