

# IDOLAZZI LUCA

## CURRICULUM VITAE

### 1. GENERAL DATA

#### 1.1 PERSONAL DATA

Date of Birth: 29 January 1981  
Place of Birth: Verona  
Address: Via C. Colombo 1 37024 Negar  
Citizenship: Italian

#### 1.2 EDUCATION

1995 -2000 High School course in science and informatic education "Primo Levi", San Pietro In Cariano, Verona  
2000 -2006 University of Verona, Degree in Medicine and Surgery  
2007-2011 University of Verona, Post Graduate School in Rheumatology – Dir. Prof. Silvano Adami  
2012-2015 University of Verona – Doctorate School in Clinic and Experimental Science – Department of Medicine

#### 1.3 TITLES

12 JUL 2006 Degree in Medicine and Surgery (final result 110/110)  
24 AUG 2011 Post Degree in Rheumatology (final result 70/70 cum laude)  
27 APR 2015 PhD Doctorate School in Clinic and Experimental Science – Department of Medicine

#### 1.4 CURRENT POSITION

Since March 2021	Associate Professor – Rheumatology Section – University of Verona
------------------	---

#### 1.5 PREVIOUS POSITIONS

Since January Volunteer Attendant Student at Sacro Cuore Don Calabria 2004 to July 2005 Hospital Negar, Verona

Since January Volunteer Attendant Student at Cardiology Department of 2004 to July 2005 University of Verona

Since July 2004 Volunteer Attendant Student at Osteoarticular Rehabilitation Unit – Regional Center for Osteoporosis at the Hospital of Valeggio sul Mincio

July 2006 – July 2007 Attendant Doctor at Osteoarticular Rehabilitation Unit – Regional Center for Osteoporosis at the Hospital of Valeggio sul Mincio

July 2007; Substitute for General practitioner, ULSS 22, December 2007 Verona – January 2008

Since January Attendant Doctor at Rheumatology Unit of University of Verona and attending the Doctorate School in Clinic and Experimental Science – Department of Medicine

Since March Fellow Assistant Rheumatology Unit – University of Verona 2013

## **2. CLINICAL ACTIVITIES**

Dr Luca Idolazzi started his clinical activities at the University of Verona, where he achieved his Degree in Medicine in Surgery in 2006. He got his Medical Qualification in March 2007. since March 2007 He attended at Osteoarticular Rehabilitation Unit – Regional Center for Osteoporosis at the Hospital of Valeggio sul Mincio. In 2007 he started his Post Graduate School in Rheumatology in the same Unit. In October 2008 he moved to Ospedale Civile Maggiore in Verona as per request of the formative program of the Post Graduate School in Rheumatology. Here he joined the outpatient clinic, the activities of Day Hospital and started collaboration with Dermatologic Unit. Since 2009 he ran an Integrated Outpatient Clinic for Psoriatic patients, cooperating with that Unit. He achieved his Post Degree in Rheumatology School – University of Verona (Director – Prof. Adami) in July 2011 with final vote of 70/70 cum laude. Since September 2011 he works as Doctor Attendant at the Rheumatologic Unit – Ospedale Civile Maggiore in Verona and from January 2012 to December 2014 he attended the Doctorate School in Clinical and Experimental Sciences of the University of Verona. He achieved the Ph D degree in April 2015.

Since March 2013 he is also Fellow Assistant in Rheumatology Unit. He especially devoted himself to imaging in rheumatology and spondyloarthritides, with a specific interest in psoriatic arthritis. Since March 2021 he is associated professor in

Rheumatology and he moved to Policlinico G. B. Rossi to follow patients affected by systemic sclerosis and psoriatic arthritis

### **3. SCIENTIFIC PRODUCTION**

Dr. Idolazzi started his scientific activities at Osteoarticular Rehabilitation Unit – Regional Center for Osteoporosis at the Hospital of Valeggio sul Mincio. His research was first in the field of osteoporosis and then in the physiopathology of rheumatic diseases involving bone (algodystrophy, osteogenesis imperfecta, Paget's disease, rheumatoid arthritis, psoriatic arthritis, early arthritis).

Since 2007 he works as subinvestigator in research protocols and clinical trials for the treatment of rheumatic diseases (rheumatoid arthritis, psoriatic arthritis, osteoporosis). He is also involved in scientific projects and clinical trials for the Rheumatological Unit and for the S.I.R. (Società Italiana di Reumatologia). He is member of several advisory board and study groups (GRAPPA and OMERACT)

Dr. Luca Idolazzi is member of scientific societies (Sect. 12)

### **4. SCIENTIFIC PUBLICATIONS**

He counts more than 200 papers, including 136 on peer review journals

<b>Papers on Web of Science</b>	230
<b>Papers on SCOPUS</b>	156
<b>Total quotes</b>	3737
<b>H-INDEX (Scopus)</b>	37
<b>Reviews</b>	13

He is also co-author of chapters in these books Ferraccioli, G. Manuale di reumatologia. (Edises, 2019) and Guido, V., Gabriele, V. & UNIREUMA. Reumatologia. Per studenti e medici di medicina generale. (Idelson-Gnocchi, 2018).

Ruolo di corresponding author o reviewer for papers in International journals  
corresponding author for: The Journal of Clinical Rheumatology, The Journal of Rheumatology, Rheumatology, Rheumatology international, Clinical and Experimental Rheumatology, Clinical Rheumatology, Aging Clinical and Experimental Research, Endocrine, Bone research, Calcified Tissue International, Joint Bone Spine, Journal of

bone and mineral metabolism, Osteoporosis international, Bone, Annals of nuclear medicine, Archives of dermatology research, The British Journal of Dermatology, Journal of European Academy of Dermatology and Venereology, Eating and Weight Disorder, Journal of clinical laboratory and Analysis, Minerva Medica, European Journal of internal medicine

## ADVISORY BOARDS AND NATIONAL AND INTERNATIONAL PROJECTS

- National Project LUMEN 2015 – Phototherapy and the integrated Dermatology – Rheumatology Outpatient Clinic, Abbvie
- Pfizer Advisory Board on new Imaging approaches in RA and SpA – Rome 2015
- National Project MARI – Study on the suboptimal use of MTX for RA in Italy 2016
- National Project ISSO – The Italian Observational Study on Severe Osteoporosis 2015
- National Project MARTE – Retention rate and predictors of good response in methotrexate therapy 2016
- National Project MISURA – Review of methotrexate use in rheumatoid arthritis
- Drafting and participation in PRIN Project 2018
- RheumaCloud Project 2020/2021 for the improvement of rheumatologic patient management for new specialists – Pharmacoeconomics Section
- RETE ILD Project 2024 | VENETO WORKSHOP (2024)
- Advisory Board on the management of the rheumatologic patient with PAH in peripheral centers – Milan December 2024

## 8. EDUCATIONAL ACTIVITIES

- Tutoring for Clinical Pathology – Rheumatology for the Medicine and Surgery Degree School of University of Verona
- Tutoring for Post Graduating School of Rheumatology for School of University of Verona and also for other post graduating schools with afference at the Department of Medicine – University of Verona
- Assistant Teacher for the practical courses in Joint Injections of the Medicine and Surgery Degree School of University of Verona in 2009/2010 and 2010/11 academic years.
- Teacher for the practical courses in Osteartromuscular Examination for the Medicine and Surgery Degree School of University of Verona
- Tutor for Annual Meeting of GIBIS (Italian Group for bisphosphonates study): Joint aspiration and injections course 2015
- Corresponding author for several papers published in international journal

## **9. MAIN SCIENTIFIC INTERESTS**

- Mineral Metabolic and bone diseases (Paget's disease, algodystrophy)
- Imaging in Rheumatology
- Psoriatic and Rheumatoid arthritis
- Early Arthritis
- Systemic Sclerosis

## **10. AFFILIATIONS**

- Ordinary Member of Società Italiana di Reumatologia
- Ordinary Member of Società Italiana di Osteoporosi e Malattie del Metabolismo Minerale e Scheletrico (SIOMMMS)
- Member of Scientific Committee of Società Italiana di Dermatologia e Malattie Sessualmente Trasmesse
- GRAPPA group for the study of Psoriatic Arthritis
- OMERACT group – ultrasound subgroup
