Conference Presentations

Oral Presentations

• 29/04/2026 – 30/04/2026	Bilingualism Matters Symposium 2026 (BMS 2026)
• Name and type of organizer	Bilingualism Matters (BM) and University of Milano-Bicocca, Italy
	Binacci, E. (2026). The Role of Morpho-Syntactic Cues in the Understanding and Production of Relative Clauses in German–Italian Speaking Children: Insights from an Experimental Approach. Bilingualism Matters Symposium 2026.

Poster Presentations

• 22/02/2024 - 23/02/2024	49° Incontro di Grammatica Generativa (IGG49)
• Name and type of organizer	University School for Advanced Studies IUSS Pavia, Italy
	Binacci, E. (2024). Featural Relativized Minimality and the Agrammatic Comprehension of Italian Clitic Left Dislocation with a-Topics. 49th Incontro di Grammatica Generativa (IGG49).

Other Research Projects

• 21/02/2024 - 21/02/2024		Corpus-assisted study “The Representation of Maternal Filicide in the UK press”
• Name and type of education or training organization		University of Siena, Italy
• Main activities and acquired knowledge		Exam project developed for the master’s course <i>Corpus Approaches to Discourse Analysis</i> (Supervisor: Prof. Alison Margaret Duguid). - Use of Lexis@Library News for articles/text selection from various newspapers employing search-based terms. - Creation of two corpora (The Maternal Filicide Corpus (MFC) and The Paternal Filicide Corpus (PFC)) on the Sketch Engine online platform. - Quantitative and qualitative analysis of the two corpora employing keyword lists, topic-related words, collocations, concordances, and frequency lists.

• 11/2021 - 05/2021		Participation to the “CONVERSA” project
• Name and type of education or training organization		University of Siena, Italy
• Main activities and acquired knowledge		Data collection and analysis for the research project “Test di Comprensione delle Opposizioni morfo-sintattiche VERbali attraverso la ScritturA (CONVERSA)” as an exam project for the master’s course <i>Computational Linguistics</i> (Supervisor: Prof. Cristiano Chesi).

Additional Training

• 14-18/07/2025		Summer School “The Arca Initiative: Unlocking Psychological Expertise for Academic and Business Success - Pupillometry and Labvanced: Online Eye-Tracking”
• Name and type of education or training organization		University of Padova, Italy
• Main activities and acquired knowledge		Participation to the ARCA Summer School course on “Pupillometry and Labvanced: Online Eye-Tracking” (equivalent to 7CP). - Training in eye-tracking and pupillometry as experimental methods for language and cognitive research. - Design and implementation of online eye-tracking experiments using Labvanced. - Collection and analysis of gaze and pupil-dilation data. - Experimental design, stimulus preparation, and participant management in online studies. - Interpretation of eye-movement measures in psycholinguistic research. - Applications of eye-tracking techniques to language acquisition, language processing, and bilingualism research.

• 13/03/2024 - 26/03/2024		Certificate of participation in “EEG/ERP Analysis with Python and MNE: An Introductory Course
• Name and type of education or training organization		Udemy (https://www.udemy.com/)
• Main activities and acquired knowledge		Participation in the 8-hour online course “EEG/ERP Analysis with Python and MNE: An Introductory Course”. Objectives of the course: - Understanding the Basics of Electrophysiology Data - Start Working with Python - Gain Expertise in Frequency Domain Analysis of Electrophysiological Data - Learn to Identify and Analyze ERPs - Acquire the Practical Skills to Conduct Time-Frequency Analysis using Python and the MNE Library

Internship

•02/2019 - 26/03/2019		Translation Workshop
• Name and type of education or training organization		University of Perugia, Italy
• Main activities and acquired knowledge		Attendance of a translation workshop at the University Language Center (CLA) equivalent to 3ECTS/CFU. - Translation of selected texts, from Italian to English and vice versa. Learning translation techniques and the characteristics of academic and non-fiction writing in the original language.

Third Mission

•11/03/2025		Day of Historical Multilingualism
• Name and type of education or training organization		University of Bozen-Bolzano, Campus Brixen-Bressanone, Italy
• Main activities and acquired knowledge		Participation to the information booth on multilingual syntax (i.e., PuzzLing) with Prof. Roberto Zamparelli.

Native language		Italian
