

MARIO OLIVIERI - CURRICULUM VITAE

Mario Olivieri was born in Verona (Italy) in 1954.

EDUCATION

In 1979 he graduated in Medicine at the University of Padova (Padua, Italy) with maximum marks cum laude.

In 1983 he specialized in Allergology at the University of Padova (Padua, Italy) with maximum marks cum laude.

In 1988 he specialized in Pulmonary Medicine at the University of Padova (Padua, Italy) with maximum marks.

In 1999 he specialized in Occupational Medicine at the University of Verona (Verona, Italy) with maximum marks cum laude.

ACADEMIC POSITIONS HELD

Associate Professor of Occupational Medicine at the University of Verona since 18th of February 2019.

Officially qualified for the position of Full Professor of Occupational Medicine since 29.11.2017 (Abilitazione Scientifica nazionale, Bando D.D. 1532/2016)

MEMBERSHIP OF SCIENTIFIC SOCIETIES, WORKING GROUPS, EDITORIAL BOARDS

Member of the working group "Occupation" and "Indoor" of the European Community Respiratory Health Survey (ECRHS).

Member of the "European Academy of Allergy and Clinical Immunology" (EAACI).

Member of the Steering Committee of The Gene-Environment Interactions in Respiratory Diseases (**GEIRD**) Project.

Person in charge of Verona centre of POLLnet, the network of aerobiological pollen monitoring of the Italian Environmental Agency.

Associate Editor of "BMC Pulmonary Medicine".

Member of the Section Board for 'Occupational Safety and Health' of the "International Journal of Environmental Research and Public Health".

RESEARCH ACTIVITIES

1) Epidemiology of asthma and respiratory allergies. He is a member of the Indoor Working Group of the "European Community Respiratory Health Survey". This research activity yielded many important international papers (Am J Respir Crit Care Med, Thorax, J Allergy Clin Immunol, Clin Exp Allergy).

2) Occupational medicine: He is a member of the Occupational Working Group of the "European Community Respiratory Health Survey" (ECRHS). This research activity yielded many important international papers (Lancet, Eur Respir J, Occup Env Med, Allergy). Guest researcher at CREAL institute in Barcelona, and this activity has resulted in an important publication as first author, co-Author by Jan Paul Zock, Coordinator of the Occupational Working Group of the ECRHS.

OVERALL SCIENTIFIC PRODUCTION

Up to now, he published 130 papers *in extenso* on journals indexed by the ISI Web of Knowledge (core collection). These articles were cited 5,559 times overall by April 2021 on the ISI Web of Science (core collection) and his H-index is 30.
