Christian Geroin
Associate Professor
Department of Surgery, Dentistry, Paediatrics and Gynaecology, University of Verona
General and Upper G.I. Surgery Division, Azienda Ospedaliera Universitaria Integrata Verona
P .le A. Stefani 1, 37126 Verona, Italy

Nationality: Italian
E-mail: christian.geroin@univr.it

Education, training and positions
2025-today: Associate Professor at University of Verona.
2022-Today: Member of the Task Force on Postural Abnormalities in Parkinsonisms, International Parkinson and Movement Disorders Society
2020: National Scientific Habilitation as Associate Professor (06/N1, Fascia II)
2019-Today: Member of the scientific committee of the Italian Registry of Functional Motor Disorders (Academia LIMPE-DISMOV)
2019-2020: Advanced course in systematic revisions and meta-analyses for producing evidence-based guidelines in the healthcare sector, University of Verona
2016-2017: Post-doc fellow, Radboud University Medical Center, Department of Neurology, Nijmegen, Netherland
2016: Ph.D. in Neuroscience, University of Verona.
2012: Health and Rehabilitation Profession Sciences Degree (magna cum laude), University of Verona
2009: Bachelor Degree in Physiotherapy, University of Verona

Training in foreign Institutes
2016-2017: Post-doc fellow, Radboud University Medical Center, Department of Neurology, Nijmegen, Netherland
2014-2015: Research Fellow during the PhD, Neurology and Neurorehabilitation Clinic, Hochzirl-Natters / Tirol Kliniken", University of Innsbruck, Austria

Research and clinical interests
Pre- and post-operative rehabilitation of patients with oesophageal and gastric cancer, Functional Motor Disorders, Dystonia, Non motor symptoms in Parkinson's disease, Postural abnormalities in Parkinson's disease.

Bibliometrics
Peer-reviewed publications: author or co-Author of 91 publications. H-Index Scopus: 27; Number of citations (Scopus): 2769

Memberships
2023-Today: Member of the Italian Society for the Study of Esophageal Diseases (SISME)
2023-Today: Member of the Italian Group for Gastric Cancer Research
2022-Today: Member of the Functional Neurological Disorder Society
2019-Today: Member of the International Parkinson and Movement Disorders Society
2018-Today: Member of the registry (albo, ordine TSRM PSTRP Verona) of Physiotherapists
2018-Today: Member of the Accademia LIMPE-DISMOV (Italian Society of Parkinson's disease and Movement Disorders)
2018-Today: Member of the Italian Society of Physiotherapy (SIF)
2010-Today: Member of the Italian Society of Physiotherapists (AIFI)

Promoter and coordinator of multicenter studies
2018-Today: Italian Registry of Functional Motor Disorders: a multicenter Italian Registry assessing clinical characteristics and pathophysiology
2016: Postural abnormalities in Parkinson's disease: demographical and clinical correlations
2013: Pisa Syndrome and Parkinson's disease: demographical and clinical correlations

Mother tongue: Italian
Other language: English, French
