Annamaria Guolo

updated at June, 2014

PROFILE

Annamaria Guolo received her PhD in Statistics at the University of Padova in 2006. From 2006 to 2008 she has been Research Associate at the Department of Statistics of the University of Padova. Since October 2008, she has been Assistant Professor in Statistics at the Faculty of Economics of the University of Verona.

Annamaria Guolo's principal research interests involve measurement error, higher-order asymptotics, meta-analysis.
