## SCIENTIFIC RESEARCH

- Location and data
- Topic and contribute
  - Institution

From June 2021 to the present  
 Scientific research position  
 Co- responsible of research, "Motor coordination in pre- school age children"  
 Coordination of the internal internship aimed at data collection, management and administration of the TGMD 3<sup>rd</sup> edition  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy

- Location and data
- Topic and contribute
  - Institution

From June 2021 to July 2022  
 Scientific research position  
 Co- responsible of research, "Körperkoordinations test für Kinder: a short form is not fully satisfactory".  
 Coordination of the internal internship aimed at data collection, management and administration of the KTK test  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy

  

- Location and data
- Topic and contribute
  - Institution

From September 2020 to June 2021  
 Scientific research position  
 Co- responsible of research, Gross motor coordination: we have a problem! A study with the Körperkoordinations Test für Kinder (KTK) in youth (6-13 years).  
 Coordination of the internal internship aimed at data collection, management and administration of the KTK test  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy

  

- Location and data
- Topic and contribute
  - Institution

From September 2017 to June 2021  
 Scientific research position  
 Responsible of research " A four-year longitudinal study on Gross Motor Coordination in Children.  
 Coordination of the internal internship aimed at data collection, management and administration of the KTK test  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy. CeRiSM - Research center on Sport Mountain and Health. University of Verona and University of Trento  
 Piazza Manifattura n.1 - Rovereto (TN) - Italy

  

- Location and data
- Topic and contribute
  - Institution

From October 2020 to June 2021  
 Scientific research position  
 Co-responsible of research " Interrelationship between age, gender, and weight status on motor coordination in Italian children aged 6-13 years old".  
 Coordination of the internal internship aimed at data collection, management and administration of the KTK test  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy.  
 Department of Psychology, Educational Science and Human Movement  
 University of Palermo, Palermo, Italy.

  

- Location and data
- Topic and contribute
  - Institution

From October 2020 to June 2021  
 Scientific research position  
 Co-responsible of research " Influence of Geographical area and living setting on weight status, gross motor coordination and physical activity level of Italian school children: the neighbourhood walkability approach".  
 Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
 Felice Casorati Street 43, 37131 Verona, Italy.  
 Department of Psychology, Educational Science and Human Movement  
 University of Palermo, Palermo, Italy  
 Italian University of Sport and Movement "Foro Italico" Roma, Italy

  

- Location and data
- Topic and contribute
  - Institution

From October 2017 to June 2019  
 Scientific research position  
 Co-responsible of research " Gross Motor Coordination, BMI and Physical Activity: Trend and Correlation in Children".  
 Coordination of the internal internship aimed at data collection, management and administration of the KTK test

- Location and data
- Topic and contribute
  - Institution

Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
Felice Casorati Street 43, 37131 Verona, Italy.

- Location and data
- Topic and contribute
  - Institution

From October 2016 to June 2017  
Scientific research position  
Co-responsible of research " Does living in urban/rural setting in different geographical regions affect children's motor performance?"  
Coordination of the internal internship aimed at data collection, management and administration of the KTK test  
Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
Felice Casorati Street 43, 37131 Verona, Italy.

- Location and data
- Topic and contribute
  - Institution

From October 2014 to June 2015  
Scientific research position  
Co-responsible of research "Study of the fundamental movements of upper limbs in children".  
Coordination of the internal internship aimed at data collection, management and administration of the KTK test and physical activity intervention.  
Department of Neurosciences, Biomedicine and Movement Sciences, University of Verona  
Felice Casorati Street 43, 37131 Verona

## CONSULTING AND TRAINING

- Location and data
- Topic and contribute
  - Institution

September 27, 2023 - Biino V. Speaker for the training on line meeting: NORDIC WALKING CSEN – ANWI COD. 317PCC2023 "The teaching methodology: general concepts and principles. Teaching styles and strategies. Observation and evaluation.

- Location and data

• Institution	26 <sup>th</sup> Annual Congress Pre -recorded oral presentation "Relationship among Gross Motor Coordination, Age, BMI and Physical Activity in Italian Children."
• Location and data	December 11, 2020, Workshop on line
• Topic and contribute	University of Verona and Latvian Academy of Sport Education
• Institution	"Managing outdoor activities during COVID period" Oral Presentation: "Enjoiement in Safety: Ajustments of Physical Activity Games to COVID Rules"
• Location and data	November 25- 2020, Webinar Physical Education and Sport Pedagogy group, SISMES (Società Italiana di Scienze Motorie e Sportive)
• Topic and contribute	Motor coordination in children: its role in development and evaluation methods.
• Institution	oral presentation: "Assess on Gross motor coordination with KTK test"
• Location and data	September 16, 2020, Webinar Physical Education and Sport Pedagogy group, SISMES (Società Italiana di Scienze Motorie e Sportive)
• Topic and contribute	Speech: "Physical Education in the time of COVID"
• Institution	Oral presentation
• Location and data	June 22, 2020, Webinar Physical Education and Sport Pedagogy group, SISMES (Società Italiana di Scienze Motorie e Sportive)
• Topic and contribute	Speech: "Teaching Physical Education in the time of COVID"
• Institution	Oral presentation
• Location and data	June 1 <sup>st</sup> and 5 2020, Webinar Physical Education and Sport Pedagogy group, SISMES (Società Italiana di Scienze Motorie e Sportive)
• Topic and contribute	Theme: The game: between science and practice.
• Institution	Oral presentation: "Play in school age"
• Location and data	May 27, 2020
• Topic and contribute	Speaker in the on line seminar aimed at students of degree classes L-22, L-67, L-68
• Institution	Oral presentation: Physical Activity and Executive Functions: application in school age Department of public Health, Experimental and Forensic Medicine
• Location and data	April 29, 2020, Webinar Physical Education and Sport Pedagogy group, SISMES (Società Italiana di Scienze Motorie e Sportive)
• Topic and contribute	Theme: Motor Science for Italy
• Institution	Oral presentation: one, two, three...Children of Italy on the move"
• Location and data	September 27-29 2019,
• Topic and contribute	XI <sup>th</sup> National Congress SISMES (Società Italiana di Scienze Motorie e Sportive)
• Institution	Oral presentation: "Executive function and soccer in preschool children: a pilot study" OP19- Biino V, Giuriato M, Bonatti G, Schena F.
• Location and data	Oral presentation: The trends of screen-time and motor coordination in adolescent: a preliminary study" OP11- Giuriato M, Biino V, Lanza M, Schena F, Sport Sci Health (2019) 15 (Suppl 1):S1-S11
• Topic and contribute	Poster: : "Development of gross motor coordination in children: a longitudinal pilot study" PP2-12
• Institution	Biino V, Schena F, Giuriato M, Lanza M., Sport Sci Health (2019) 15 (Suppl 1): PP2-12 Bologna, Italy

## EDUCATION AND TRAINING

### Qualification awarded

- Date:
- Education or training organisation 's name and locality :
- Principal subjects covered or skills acquired

From 1<sup>^</sup> September 2024 to today Associate Professor . Disciplinary Scientific Sector MEDF-01/B Exercise and Sport Science (Group s.d. 06/MEDF-01)  
Department of Neuroscience, Biomedicine and Movement , University of Verona –Artiglierie Street 8- 37129 Verona, Italy

- Date:
- Education or training organisation 's name and locality :
- Principal subjects covered or skills acquired

July 8, 2024  
National Scientific qualification.  
Second level sector: 06/N2, Physical Exercise and sport sciences

- Date:
- Education or training organisation 's name and locality :
- Principal subjects covered or skills acquired

June 9, 2023  
National Scientific qualification.  
Second level sector: 11/D2, Special Education teaching and educational research

- Date:
- Education or training organisation 's name and locality :
- Principal subjects covered or skills acquired

August 31 , 2019  
Secondary School, High grade  
Physical and Sports Sciences  
Completed probationary year (Art. 1 , commi from 115 to 120 Law107/2015) for teaching of Physical Education in Secondary

- Date:
- Education or training organisation 's name and locality :
- Principal subjects covered or skills acquired

July 9-13, 2018  
University of Urbino "Carlo Bo"  
Summer school  
Research methodology applied to motor and sports sciences; fundations of statistics.  
Certificate of partecipation.  
Urbino, Italy

## PERSONAL SKILLS

I.C Megliadino San Fidenzio (PD), via G. Marconi, 3 San Fidenzio Padova  
Scuola statale secondaria di primo grado

Insegnante di Educazione Fisica

### MOTHER TONGUE

Italian

### OTHER LANGUAGE

Foreign language	Listening	Reading	Speaking
English	B1	B1	B1

## COMMUNICATION SKILLS

The training in the sports field and the variety of experiences offered by the career path, have taught me to create a relationship with others and to have a communication style suited to situation and empathetic. I'm committed to contributing constructively to discussions and seek to create authentic relationships with people, at all levels.

## ORGANISATIONAL SKILLS

The ability to exercise intrapersonal and interpersonal skills has allowed me to continuously develop organizational and relational skills. The awareness of the importance of taking on responsibility, of supporting my group by collaborating effectively and creating a positive team spirit, has always characterized the nature of my study, work and sport experiences.

**COMPUTER SKILLS.**

Good command: Windows '9x, Me, Xp... - Microsoft Office 2007 ( Word, Excel, Power Point...). Data analysis linked to the research methodology with: SIGMA STAT; SPSS 13.0; Statistica 8.0.

**OTHER SKILLS**

Six years of studying, when I was a child, a musical instrument: the violin. The interest in music remained throughout my youth and is still present today. Eighteen years of team play in volleyball characterized my second childhood and my youth in Serie D and C2 women's teams. The swimming instructor license and the practice of swimming activities have kept my passion for water sports active. From 2001 to today I have been playing Tennis, I participate in women's fourth category and Open tournaments. I also give Tennis lessons to under and adults categories and above all I appreciate sharing this game with enthusiasts and amateurs. The passion for running also leads me towards aerobic and outdoor sports, making the practice of Physical Activity one of my daily lifestyles.

**DRIVING LICENCE**

Licence driving of the Italian Republic category "B" , issued by Ministry of Transport N. PD2362362P

I declare the possession of all the qualifications reported therein and the truthfulness of what is declared, made in replacement of the relevant certifications or notarial deeds, pursuant to the art. 46 and 47 of D.P.R. 445/2000.
