General information	
How long can I study?	<p>This will depend upon the duration that your home university nominates you for.</p> <p>Our overall academic calendar is:</p> <ul style="list-style-type: none">▪ Semester 1 (September – December)▪ Semester 2 (January – May)▪ Full academic year (September – May) <p>Provisional session dates for 2021/22 are available on our website – https://www.gla.ac.uk/study/visiting/studyabroadexchange/applicationdeadlinesandsemesterdates/</p> <p>Please note:</p> <ul style="list-style-type: none">• Late arrival is not permitted.• Students are expected to be in Glasgow until the end of the examination period, and will not be permitted to leave early due to commitments at home such as work placements, internships, exams at home etc.• All assessments must be completed before students depart and the University of Glasgow cannot invigilate exams for visiting students.

Step 1: Application	
When can I apply?	<p>Applications for September will open in March. The deadline for September applications is 1st May.</p> <p>Applications for January will open in September. The deadline for January applications is 31st October.</p>
How do I apply?	<p>Applications are made on our online system. The link will be available at https://www.gla.ac.uk/study/visiting/studyabroadexchange/erasmusstudy/howtoapply/</p> <p>You must read the application guidance notes and Course Selection Guide on the website carefully before applying.</p> <p>Students will be nominated to either our Main Campus or our Dumfries Campus depending upon our Erasmus+ partnership agreement with your home institution. Please note that it is not possible to take courses at both our Main Campus and our Dumfries Campus. This is due to the distance between these two campuses.</p>
What supporting documents do I have to provide?	<p>All students must provide:</p> <ul style="list-style-type: none"> • An up-to-date Official Academic transcript with a translation in English. • Learning agreement with proposed course selection • A colour copy of the photo page of your passport. • Evidence of English Language proficiency <p>EU/EEA nationals on single semester exchange will receive an English Language Proficiency Evidence form from the University of Glasgow to complete and upload onto their online application. If any further documentation is needed, the University of Glasgow will contact students once we have begun processing their application.</p> <p>Non-EU nationals and EU/EEA nationals on full year exchange: IELTS for UKVI (Academic) test taken within the last 4 years 5 months which confirms an overall score of 6.0 with no subset lower than 5.5.</p> <p>Please see here for all accepted English testing options: English Language requirements</p>
Entrance requirements	<p>Our standard entry requirements are:</p> <ul style="list-style-type: none"> • Evidence of English Language Proficiency to a CEFR B2 level in all four components of reading, writing, speaking, and listening. • Individual course modules have specific entry requirements (See How do I choose my courses below.)
How many credits should I study?	<p>The required course load for one semester is 60 Glasgow credits. The required course load for the full academic year is 120 Glasgow credits.</p> <p>Please note the University of Glasgow does not permit exchange students to underload or overload. The above courseloads are University mandated and are the same as our home degree students.</p> <p>The credit ratio between local Glasgow credits and ECTS is 2:1. 60 Glasgow credits = 30 ECTS</p> <p>Most Arts and Social Sciences courses are 20 credits but a small number can be 10, 15 or 30 credits.</p>

	<p>Most Science and Engineering courses are 10 Glasgow credits. When selecting courses as part of the online application, please select more classes than the required course load of 60 credits per semester. This allows some flexibility if you cannot be enrolled on your first choices.</p>
Can courses be guaranteed in advance?	<p>No, courses cannot be guaranteed in advance. For example, there may be timetable clashes, a course may be oversubscribed or may no longer be running. If this is the case, the Visiting Students team will work with students to find suitable alternatives.</p>
How do I choose my courses?	<p>You must choose courses as part of your online application.</p> <p>You must choose specific courses and NOT general subject areas and you can rank the courses in order of preference.</p> <p><u>Classes available are listed in our course catalogue</u></p> <p>Advice on selecting courses:</p> <p>Level 1 and 2 courses are lower-level classes that require no/little previous experience. Level 3 and 4 courses are upper-level classes that require at least two years background experience in the subject area that will be studied at Glasgow.</p> <p>Areas that are unavailable to visiting students are Medicine, Vet Medicine and Dentistry. Additionally, level 5 courses in all subjects are unavailable.</p> <p>Semester 1 only students are not permitted to take level 3 and 4 Computing Science, Maths or Statistics courses.</p> <p>Course choices must be submitted within the application. Course choices submitted after the application has been submitted will not be accepted.</p>
What happens after I submit my application	<p>Once we receive your application, you will receive feedback from the Admissions team. This will be either:</p> <ul style="list-style-type: none"> • an unconditional offer OR • a conditional offer with request for further information/documents OR • a note that your application has been unsuccessful.
How do I accept my offer?	<p>You do not need to formally accept your offer.</p> <p>However, if you decide to withdraw from the programme you must let the Visiting Students team know so that your place may be given to another student.</p>
How do I find out if I have been accepted for my chosen courses?	<p>When you receive an unconditional offer, your courses choices will be sent to academic staff for approval.</p> <p>The Visiting Students team will let you know whether, or not, you have been approved for your chosen courses. We will also advise if alternative courses have been suggested by academic staff.</p>

	<p>Once you have registered as a student at the University of Glasgow, the Visiting Students team will enrol you in classes for which you have been pre-approved, where possible. These classes will then appear on your timetable.</p> <p>**You should not attempt to enrol yourself in courses.</p> <p>Please note course enrolments are only final once you arrive in Glasgow.</p>
Can I change my course choices?	<p>Course changes can be requested once you arrive in Glasgow.</p> <p>All spaces are allocated on a first come, first served basis, and so requests for course changes cannot be guaranteed.</p>
Can I let the University know of any additional support needs?	<p>You should contact our Disability Services team to advise them of your situation. This allows the team to fully support you pre-arrival and, where possible, to make sure arrangements are in place when you begin your studies.</p> <p>Once you receive an unconditional offer, you should download and complete the pre-entry form and send this to the Disability services team.</p> <p>Full details on this (including a link to the form) can be found here.</p>

Step 2: Preparing for arrival to Glasgow

Do I require a visa?	<p>All students who are not UK or Irish nationals are required to obtain immigration permission to study at the University of Glasgow.</p> <p>There are two options available to incoming students with regards to immigration in the United Kingdom:</p> <ol style="list-style-type: none"> 1. Visitor Visa (for one semester stays) OR 2. Student Visa (for study periods longer than 6 months) <p>Full information on all visas can be found here: Visa information</p> <p>IMPORTANT – TRAVELLING VIA IRELAND: If you did not obtain a visa before travelling please do not travel to the UK via Dublin or any other airports in the Republic of Ireland. This is because you will not pass through any UK immigration point and will therefore not be able to obtain UK immigration permission on arrival. If you will enter the UK via the Republic of Ireland, you must obtain your Visitor visa before leaving your own country. If you have already obtained a visa before leaving your own country, you can enter the UK via the Republic of Ireland without any issues.</p> <p>Entering the UK via eGates</p> <p>If you are a national of Australia, Canada, Japan, New Zealand, Singapore, South Korea, USA or any country in the European Economic Area (including Switzerland), you may be offered use of the electronic eGates when passing through UK immigration, instead of having to present your passport to a Border Force Officer. Please see here for details: eGates guidance</p> <p>If you are from a non-EEA country - Your passport (and visa if you have one) will be checked at border control.</p>
----------------------	---

How do I register as a student?	<p>You will be emailed when online registration is open. This email will include details of how to log onto the MyGlasgow and complete the registration process.</p> <p>You should complete academic registration as soon as possible in order for you to be enrolled in classes.</p> <p>Both academic and financial registration should be completed prior to your arrival in Glasgow.</p>
How do I apply for accommodation?	<p>Full advice on accommodation will be sent to you in the pre-arrival guide.</p> <p>Students studying for one semester may apply for university accommodation; however, a place is not guaranteed.</p> <p>Students studying for the full academic year are guaranteed accommodation if applications are received before the deadline. Full details can be found here</p>

Step 3: Orientation and arrival

What do I need to know about orientation?	<p>All students are required to take part in a mandatory Orientation session before you begin your studies at Glasgow.</p> <p>Please find up to date information on orientation at https://www.gla.ac.uk/international/support/before/orientation/</p>
What if I require healthcare while in Glasgow?	<p>Healthcare in the UK is mainly provided through the National Health Service (NHS). Please refer to our healthcare information here: https://www.gla.ac.uk/international/support/livinginuk/nhs/#non-eea-nationals</p> <p>Students are strongly recommended to register with GP on arrival in Glasgow. This is free to do and there is a GP surgery on campus - http://www.universitybarclay.com/</p>

Step 4: During your course

What is the teaching style like?	<p>The most common form of teaching is formal lectures (particularly at Level 1 and 2) with supplementary group tutorials where discussion and group participation are encouraged.</p> <p>In upper-level classes, lectures are often to smaller groups of students and in some departments are replaced by tutorials and seminars.</p> <p>You may find that they have very few contact hours and less assessment than you are used to at your home institution.</p> <p>It is important to note that higher education in Scotland places a strong emphasis on independent study.</p>
----------------------------------	---

How will I be assessed?	<p>Assessment methods vary from course to course, but may include essay submissions, project work and end of semester exams.</p> <p>Details of and deadlines for assessment are included in the course handbook for each of our courses. Exam timetables will be published on the University website during the semester.</p> <p>It is your responsibility to submit assessments and attend for exams punctually.</p>
-------------------------	---

Step 5: Course completion

Exams and assessments	<p>Details of assessment deadlines are included in course handbooks. Exam diets are held in December for Semester 1 students and April/ May for Semester 2 students.</p> <p>Details of exam dates and deadlines can be found at https://www.gla.ac.uk/myglasgow/registry/exams/dates/</p> <p>Students are expected to remain in Glasgow until the last day of semester.</p> <p>You should remain in Glasgow until all exams and assessments have been completed.</p> <p>Permission will not be given for students to return home early to attend interviews, internships, or family events</p>
-----------------------	--
