About UCEMA

The University of CEMA (UCEMA) is a non-profit, private institution dedicated to promoting educational development in Argentina and globally. Established in 1978, it has consistently upheld a strong tradition of academic excellence.

UCEMA currently offers 15 undergraduate degrees, 16 graduate programs, and over 100 executive education courses in areas such as business, finance, economics, accounting, marketing, technology, computer engineering, law, political science, and international relations.

Located in the heart of Argentina' economic and financial district, the City of Buenos Aires —ranked the top Latin American city for students by QS Best Student Cities 2026— presents a unique combination of rich traditions and contemporary innovation.

The university currently operates four campuses, all within walking distance of one another.

Córdoba - Main Building
Av. Córdoba 374

MBA | Master in Agribusiness | Master in Finance | Master in International Studies | Master in Economics

* You can find more information at the following **link.**

ENGLISH-TAUGHT: For courses offered in English, please refer to the '**Global Semester**' section.

Workload & timetable

Undergraduate students: 4/5 courses per semester
Graduate students: 3/4 full-term courses per term

If the home university requires a greater workload for credit transfer, students may request to enroll in extra courses, subject to availability.

Undergraduate courses are typically scheduled in the morning (9 AM to 12 PM) and early afternoon (1 PM to 4 PM), with some programs also offering classes in the late afternoon or evening (6 PM to 10 PM).

Graduate courses are usually held during the evening (7 PM to 10 PM), but some programs may offer classes earlier in the afternoon (1 PM to 7 PM).

Global Semester

The Buenos Aires Global Semester is an academic program designed for international students interested in business, economics, and technology. Hosted by UCEMA, one of Argentina's leading institutions, the program offers a modular and customizable curriculum, allowing students to earn academic credits while gaining international certification. With a flexible course structure and a global perspective, it provides a unique opportunity to study in the heart of Latin America.

Academic Offer

Theoretical courses

- Austrian Economics
- Fintech, Blockchain and Crypto
- Economic History of Latin America
- Machine Learning and Programming for Financial Analysis
- Global Business Strategy
- Global Political Economy: Institutions, Power and Development
- International Trade and Market Liberalization
- Strategic Management & Innovation
- Data Analytics for Global Marketing
- Artificial Intelligence for Strategic Leadership
- Behavioural Economics and Data-Driven Decision Making
- Big Data and Society
- Neuroscience and Leadership

Practical Courses

- Data Visualization and Storytelling with Python
- AI Ethics and Decision-Making in Business
- Data Analytics for Public Policy

Undergraduate	1st semester (March - July) **October 15 – November 15**	2nd Semester (August - December) **March 15 – April 15**
Graduate	1st Term (March - June) & 2nd Term (June - September) **October 15 - November 15**	3rd Term (September - December) **March 15 – May 15**

Health Insurance & Visa

Exchange students must be covered by a health insurance valid in Argentine territory for the entire duration of the semester.

Depending on the length of study in Argentina and the country of citizenship, students will need to obtain different types of visas. We recommend contacting the corresponding Argentine Consulate for specific visa/residence permit requirements.

For completing their enrollment to UCEMA's International Program, exchange students must submit proof of their health insurance and their student visa/residence permit prior to their arrival in Argentina

Housing

Students are responsible for finding, arranging, and covering the cost of their accommodation during their stay. UCEMA does not offer on-campus housing. Accommodation recommended by the government of the City of Buenos Aires here.

Estimated Living Expenses

Accommodation (shared apartments)	USD 450 - 600 per month
Utilities (water, electricity, internet, gas)	USD 60 - 70 per month
Public transport	USD 30 per month
Meal (inexpensive restaurant)	USD 13 - 15
Coffee	USD 4 - 5
