Health insurance	German law requires every student to have health insurance. We strongly recommend to opt for a public health insurance (statutory health insurance), which costs about EUR 140 per month: uol.de/p54744en
Fees and costs	Students at the University of Oldenburg do not pay tuition fees. What they do need to pay is a semester contribution (administrative fee) of around EUR 350 that covers the transportation ticket (semester ticket) and some of the campus facilities. Students need to transfer the contribution to the university's bank account before the start of their exchange semester and keep a proof (screenshot, printout, etc.). The proof is needed for the enrolment procedure: uol.de/p21039en Students in Oldenburg need around EUR 1,000 per month for living costs: uol.de/p52851en
Visa information	Exchange students from the European Union, the EFTA (Norway, Iceland, Switzerland and Liechtenstein) and a number of other countries such as the United States, Canada, Australia, Japan and Chile can enter Germany without a visa. Students from non-EU countries require a residence permit to study in Germany (either prior or after their arrival, depending on the country of origin). They have to demonstrate a minimum of EUR 992 per month for the residence permit. This amount might be reduced if students can prove that the rental and incidental rental costs of their accommodation are lower than EUR 360. uol.de/p54744en
Travel instructions	Germany has a well-developed public transportation system. Students who travel by train need to make sure to book train connections to Oldenburg (Oldb) (not Oldenburg in Holstein). It is easy to reach Oldenburg by train from any of the northern German airports such as Hamburg (HAM), Bremen (BRE) and Hannover (HAJ) or even Frankfurt (FRA).
Arrival	The expected arrival date for exchange students is, at the latest, the day before Welcome Week. We strongly recommend attendance: https://uol.de/p53864en
