Academic Information									
Academic Calendar	<p>The Academic Year is divided into two semesters: Winter semester (October - March)   Summer semester (April - September).</p> <p>Each semester consists of a fixed lecture period and recess weeks. Examination periods vary according to faculty or department but usually take place at the end of the lecture period as well as in the first 2-3 weeks after. Students are recommended to book their return trip only after they know their specific examination dates.</p> <table border="0"> <tr> <td><b>Winter semester 2026/27</b></td> <td><b>Summer semester 2027</b></td> </tr> <tr> <td>12.10.2026 Lectures begin</td> <td>12.04.2027 Lectures begin</td> </tr> <tr> <td>05.02.2027 Lectures end</td> <td>16.07.2027 Lectures end</td> </tr> <tr> <td>February Exam period</td> <td>July/August Exam period</td> </tr> </table> <p>Orientation always takes place the week before lectures begin.</p>	<b>Winter semester 2026/27</b>	<b>Summer semester 2027</b>	12.10.2026 Lectures begin	12.04.2027 Lectures begin	05.02.2027 Lectures end	16.07.2027 Lectures end	February Exam period	July/August Exam period

Language requirements	<p>Erasmus incoming students must submit a language certificate in German or English.</p> <ul style="list-style-type: none"> <li>• for courses in German: <b>German B2</b></li> <li>or</li> <li>• for courses in English: <b>English B2</b></li> </ul> <p>Please note that the offer in English is limited in some subject areas. Therefore, students who will only take courses in English must check whether they can find enough English-taught courses to fulfil their home university's credit requirements. Basic German skills are highly recommended for daily life, even if students only study in English.</p>								
Course Offer	<p>Exchange students must choose their courses from the <b>module catalogues for exchange students</b>:</p> <p><a href="https://www.uni-augsburg.de/en/portal/internationals/kursangebot/">https://www.uni-augsburg.de/en/portal/internationals/kursangebot/</a></p> <p>They are allowed to take courses <b>at the faculty of the respective inter-institutional agreement</b>. In addition, they may take courses from a second faculty if required by their degree programme and approved by the University of Augsburg during the application process. <b>Language and intercultural courses are open to all exchange students</b>. Exchange students must fulfil the academic and language requirements of the respective module.</p>								
Credit and Grading System	<p><a href="https://www.uni-augsburg.de/en/portal/internationals/grading-scale/">https://www.uni-augsburg.de/en/portal/internationals/grading-scale/</a></p>								
Workload	<p>Exchange students are expected to do coursework at the University of Augsburg. Please note that it is <b>not</b> possible to supervise any bachelor, master or PhD theses of Erasmus exchange students or award ECTS for independent research.</p> <p>The standard semester workload is 30 ECTS, however, exchange students are flexible and are not required to take a certain number of ECTS by the University of Augsburg. Students should discuss with their home university how many ECTS are expected.</p>								
Learning Agreement	<p>Learning Agreements must be submitted digitally via the EWP network. We prefer students to submit their learning agreements in September (winter</p>								

	semester) or March (summer semester) when the course offer for the semester of the exchange is definite and there are therefore fewer changes necessary. However, if required by the partner university, students may submit their Learning Agreements earlier.
<b>Transcript of Records</b>	Transcript of Records only show the modules passed by the student. The document can be downloaded as a verifiable PDF by the student <b>until 31 March (winter semester)</b> or until <b>30 September (summer semester)</b> from the University of Augsburg's examinations platform. The home university can verify the authenticity of the Transcript of Records via a dedicated verification website. Hard copies are no longer provided.
