<p>ACADEMIC YEAR (INCOMING STUDENTS) <i>Each term is divided into 2 periods, autumn (P1&2) and spring (P3&4). Holidays include Christmas and Easter breaks and vacations in weeks 43 and 10.</i></p>	
<u>Autumn term</u> (1st semester)	P1&P2: End of August – December Only full-term mobilities and all fields.
<u>Spring term</u> (2nd semester)	P3&4: January - beginning or end of May full-term mobilities, duration depending on the field. In distinct fields of health and social health care, Oamk also offers studies during mobility periods: P3: January - beginning of April P4: End of February - end of May
<u>Arrival days</u>	Students should arrive and check in to their student housing (PSOAS Routa dormitory) at certain arrival days and times . Oamk's peer tutors and service staff welcomes students at the dormitory. Students receive their apartment keys, PSOAS' info sheet and Oamk info folder (IT credentials, enrolment certificate and meal subsidy card).
<u>Orientation days</u>	Students and trainees at the beginning of the term or mobility period start their exchange with mandatory orientation days . Trainees admitted for other times during Oamk's terms have a kickoff meeting with academic/academic staff at the outset of their traineeship.

STUDIES & TRAINEESHIPS (INCOMING STUDENTS)	
<u>Mobilities for Studies</u>	<p>Full-term or long-term mobilities (all fields): Oamk offers full- or long-term mobilities for studies in the frame of exchange study programmes across all fields. They last for at least 1 academic term, and consist (normally of Bachelor-level) courses, project works, productions etc. In health and social care, studies can also be combined with a small-scale practical training in most fields. Students admitted to a full- or long-term mobility are expected to stay physically at Oamk for min. 1 academic term and pursue a recommended workload of 30 ECTS cr/term. If applicable, students may also stay for an entire academic year with a workload of 60 ECTS cr.</p> <p>In some fields (e.g. in health and social care), Oamk offers online courses which can be pursued before/during/after the physical mobility stay. Oamk does currently not offer fully virtual mobilities. Blended mobilities are currently offered only as part of Erasmus+ Blended Intensive Programmes, which are available to students from distinct partner universities.</p> <p>In the fields of business, business information systems, information technology and mechanical engineering, Oamk offers double degree mobilities to students from distinct partner universities. Double degrees consist of professional studies and mandatory language studies. These can be pursued as part of a physical exchange at Oamk for at least 1 academic year and a workload of min. 60 ECTS cr.</p> <p>Mid-term mobilities (distinct fields in health & social care): Oamk offers <u>mid-term</u> mobilities for studies in spring (2nd semester) in distinct fields of health and social care for a 3-month mobility period either in the first half of the term (P3) or in the second half of the term (P4). The workload for a mid-term mobility is approx. 30 ECTS cr, including also small-scale practical training where applicable.</p> <p>Short-term mobilities (all fields): Based on separate agreements between universities, Oamk offers also <u>short-term</u> mobilities for studies in distinct fields. These are normally physical exchanges which last approx. 1-2 weeks. Only students covered by such an agreement may take part in the mobility.</p>
<u>Mobilities for Traineeships</u>	<p>Traineeships can be offered at/via Oamk in certain fields during our academic terms. Erasmus+ traineeship mobilities should last min. 2 months, preferably 3 months.</p> <p>Oamk can acquire/mediate only a limited amount of traineeships at Oamk or third parties. Admission decisions are made by Oamk based on enquiries and applications during the regular application periods. Admissions are prioritised according to bilateral or inter-institutional agreements covering traineeship mobilities.</p> <p>Admitted trainees are enrolled as exchange students at Oamk</p>

	<p>and supervised/mentored by academic staff and supported by administrative service staff.</p> <p>Trainees commencing their traineeship at the outset of a regular term at/via Oamk are required to take part in the Finnish Language 1: Survive! course (3 ECTS cr). This course is arranged in late afternoon/evening and thus can be pursued outside of traineeship work hours. If applicable, trainees can also pursue other possible supportive courses outside of traineeship work hours. In some cases and fields, trainees may pursue also an online course before/during/after the physical mobility stay outside of traineeship work hours.</p>
Blended Intensive Programmes (BIP)	Oamk offers certain Blended Intensive Programmes (BIP), which are agreed between Erasmus+ partner universities, and can be pursued only by selected students covered by such an agreement. A BIP is a programme that combines physical and virtual stays and collaborative learning at Oamk.

NOMINATION, APPLICATION & ADMISSION (INCOMING STUDENTS)	
Nomination & Application	<p>Nominations should be submitted prior to the students' application via our online nomination form under Step 3 "Get nominated by your home university".</p> <p>Applications must be submitted via MoveON and within the deadlines given. Late nominations or applications not accepted.</p>

	mentoring of our trainees. Initial schedules are available shortly before the application. Detailed schedules will only be available at the start the exchange.
ECTS & Assessment	Oamk's and the Finnish credit system complies with the European Credit Transfer and Accumulation System (ECTS) so that the Finnish credits are equivalent to the ECTS credits. Assessment in Oamk is generally based on the assessment framework. The framework cannot normally be changed by the course teacher – it is either numerical or verbal .
Mobility Administration & Documentation <ul style="list-style-type: none"> • Timeline Charts • Letter of Acceptance • Learning Agreement (see below) • Enrolment Certificate • Letter of Confirmation • Transcript of Records 	Oamk does not anymore issue hard copies of mobility documents due to digitalisation of services and Finnish laws of data protection and privacy. Oamk generates mobility documents as electronic soft copies. Oamk's transcript of records is fully digital - the electronically signed and stamped PDF can be authenticated or validated, and meets archiving standards.
Learning Agreements for Studies	Erasmus+ students should use online learning agreements for studies (OLA), if possible. Regular learning agreements (LA) on the template of their home universities are also accepted for the time being. Bilateral and free mover/visiting students should use Oamk's learning agreement template.
Learning Agreement for Traineeships	Erasmus+ trainees or equivalent trainees should use the regular learning agreement for traineeships LA on the template of their home university. These should be emailed to our services as an editable Word file upon enquiry or after the nomination. Bilateral and free mover/visiting trainees should use Oamk's learning agreement template for traineeships.
Learning Agreements for Blended Intensive Programmes (BIP)	Erasmus+ BIP students should preferably use online learning agreements for studies (OLA), but regular learning agreements (LA) on the template of their home universities are also accepted for the time being.
