

PhD Course on “EC funding and successful proposal writing”

By Monique Calisti

- **Introduction**
- **The Basics:** EC funding, from Horizon 2020 to Horizon Europe
- **Starting a new proposal:** foundations and organisation of work
- **Excellence Section:** The proposal's excellence section, telling a good story of your project
- **Impact Section:** The proposal's excellence section, how your proposal makes a difference
- **Implementation Section:** Going beyond requirements from the EC template and build a solid plan of work

- **Consortium description:** participants and third parties involved
- **Budget calculation:** Budget definition, type of costs and reporting
- **Successful Dissemination and Communication:** define your project's communication strategy, from plan to action
